

PRESS RELEASE

Color Coded Valve Handles and Gate Bodies

FOR IMMEDIATE RELEASE

Kochek Introduces Color Coded Valve Handles and Gate Bodies

Improves safety, saves time

Putnam, Connecticut, September 9, 2009 — Kochek Co. has introduced a line of color coded gate valve bodies and valve handles to improve visual line identification for greater coordination and safety. Kochek now offers a complete line of powder coated LDH appliances made to customer specifications with color coded handles on new valves or handles only to retro-fit existing valves (straight, bent, angled and bent center handles). The company also offers custom color coded gate valves. Please go to Kochek.com to view complete product specifications.

For more than 20 years Kochek Company has manufactured the highest quality American-made specialty fire equipment for today's fire industry. Based in Putnam, Connecticut, Kochek is the nation's largest manufacturer of PVC light-weight suction hose and a wide variety of strainers, dry hydrants, elbows, adapters, caps, plugs, and valves. For more information, contact Kochek at 800-420-4673 or visit the company Web site at www.kochek.com
