Kochek Introduces a New Personalized Hydrant Hammer

The perfect addition to a personal tool kit

Putnam, Connecticut, August 29, 2008 — Kochek Co. has introduced a new hydrant hammer that can be personalized with an individual's or fire company name. The light weight, compact hammer is easy to carry and perfect for hydrant bag or personal use.

The rubber head is easy on fittings and is ideal for loosening and tightening long handled swivels. With comfortable grips, a compact 9 1/2 inch closed length, the 2 1/2 pound hammer fits 3/4 inch to six inch rocker or pin lug fittings.

For more than 20 years Kochek Company has manufactured the highest quality American-made specialty fire equipment for today's fire industry. Based in Putnam, Connecticut, Kochek is the nation's largest manufacturer of PVC light-weight suction hose and a wide variety of strainers, dry hydrants, elbows, adapters, caps, plugs, and valves.
