

KOCHEK CO. INC.

Manufacturing professional, dependable, high quality products for over 20 years

K-Chrome

Highly Polished Clear Coated Parts

- Highly polished *Aluminum* with a uniform, durable, high quality clear coat provides superior protection.
- More elasticity than any other finish on the market, resulting in surfaces that are resistant to chipping, scratching, fading and wearing.
- Creates a long lasting bright and vibrant shine that will help make your truck look spectacular!
- This finish is an automotive industry standard on wheels, rims, and other details.
- Available on both standard and custom parts.
