

PRESS RELEASE

LDH Supply Lines

FOR IMMEDIATE RELEASE

Kochek Introduces LDH supply lines...

Kochek Company's LDH supply line is available in tough highly resistant synthetic nitrile rubber or heavy duty yet light weight thermoplastic lined double jacket. These highly abrasion-resistant, thru the weave hoses are made without adhesives or glues and meet or exceed all NFPA requirements. Supply lines come with either forged Storz or extruded aluminum threaded couplings with reattachable bindings and are available in 100, 50, and 25 foot lengths standard; other lengths available on request. The standard color is Hi-Visibility yellow, other colors are available on request

For more than 20 years Kochek Company has manufactured the highest quality American-made specialty fire equipment for today's fire industry. Base in Putnam, Connecticut, Kochek is the nation's largest manufacturer of PVC light-weight suction hose and a wide variety of strainers, dry hydrants, elbows, adapters, caps, plugs, and valves.
