

Golf Industry Store Fixture Display

- Kochek offers you the opportunity to display their product on a standard kiosk. This display is for the Golf Industry displaying our nozzle line, applicators, wetting agents and our 4 styles of irrigation hose.
- Also featured is our cleansing agent ShokRay Blu designed to be used on artificial turf, hardscapes, locker rooms, restrooms, and equipment such as golf carts, mowers, and much more!
- The bottom shelf accommodates our full line of irrigation hose:
Clear and Green GH series, ULtraLite, and Dura Flow.

Please refer to the back for shelf schematics.
